📍 Cartagena, Colombia

Profesional Profile

María Mercedes Abondano Escobar is an International Business Administrator with a Master's in International Management from Hult International Business School, specializing in finance, cooperation, and international resource management. She **leads the International Cooperation Office of the Mayor's Office of Cartagena de Indias**, driving the city's internationalization strategy and strengthening partnerships with multilateral organizations, international agencies, and global funds aligned with the Sustainable Development Goals (SDGs). Her experience combines strategic leadership, a global outlook, and technical expertise in sustainability, multilateral cooperation, and urban planning.
